LICENSING ELECTRICAL CONTRACTORS.

Notification dated 31st May 1937.

Applications are invited from the existing and intending Electrical Contractors for carrying out power and lighting installations in the Mysore State during the year 1937-38.

The following are the conditions under which licenses are granted :—

(1) The Contractor himself or his Manager, Agent or Partner, shall be a technically qualified man ; in the absence of which, he must have a technically qualified man in his employ ;

(2) Every Contractor shall have a Show Room in a prominent business place in each of the places where he intends carrying on business ;

N.B.—In the Cities of Mysore and Bangalore, he must have a stock of electrical goods worth at least Rs. 2,000, in District Head Quarters a stock of Rs. 1,000, and Taluk Head Quarters and other places a stock of Rs. 500.

(3) If a Contractor intends to carry on business in more than one place, the Manager for each of those branches must be a technically qualified man or there must be a technically qualified man in his employ at that place. This condition will not be insisted upon for unimportant rural areas where an experienced wireman will be permitted.

(4) A license fee of Re. 1 per annum will be charged for each place of business.

(5) Every licensed Electrical Contractor shall become a member of the Licensed Electrical Contractors' Association ;

(6) The place of business and stock must be open to inspection for the representatives of the Electrical Department at any time.

(7) Every license holder must agree to give a list of his employees and to intimate changes made from time to time to the Secretary to the Licensing Committee ; and

(8) Applications should reach the Secretary, License Issuing Committee, Bangalore, on or before 25th June 1937.

S. G. FORBES,
Chief Electrical Engineer.
